Sir:

Pursuant to 37 C.F.R. § 1.48 as well as 35 U.S.C. § 116, a correction of inventorship in the above-identified U.S. patent application is hereby requested.

Upon investigating the inventorship of the above-identified U.S. patent application and especially in view of the allowed claims as set forth in the Notice of Allowance dated April 1, 2004, it has been determined that the executed § 1.63 declaration previously filed is in error and that the error arose without any deceptive intention on the part of the person who through error was not named as an inventor. By this filing, a correction of the inventorship is hereby requested and it is requested that inventorship be amended to name two additional inventors not previously set forth in the previously executed § 1.63 declaration.

To accompany this Request for Correction of Inventorship, a request to correct inventorship that sets forth the desired inventorship change is attached as Attachment A.

A statement from each person being added as an inventor which states that the error in inventorship occurred without deceptive intention on his or her part is set forth as Attachment B.

An oath or declaration by the actual inventors as required by § 1.63 is set forth as
